One last river stop

A fictional family plan for two adults and two children. Keep food, travel and quiet time visible; check items as they are packed rather than assuming they are done.

Pack Together

Rain jackets, refillable bottles, medication, chargers and one book each. Keep medication with the adult responsible for it.

Food Plan

Bring Friday supper. Buy breakfast ingredients locally. Confirm dietary needs before Saturday lunch; the sample plan does not assume medical requirements.

If Plans Change

Use the shared notice space for the new meeting time. Agree on one pickup point before anyone leaves the house.
